Dear reader,

Thank you for showing interest in the publication of Volume 7, number 1, 2021 issue of the Journal of Education and Special Education Technology. This issue aimed to present technologies related to inclusion education and intellectual disabilities. Based on the aim of this publication, 2 papers were selected that fully represent the aim of the issue.

The selected papers were authored by researchers from Italy. The selected papers include the following: Cultural accessibility of people with Intellectual disabilities: A pilot study in Italy; Inclusion at the University through technology: A case study in Italy.

A major contribution to the success of this publication is the hard work of our researchers, editing team, and publishing team members. Therefore, we would like to acknowledge the contributions of all the contributors to this research. Dear reader, Enjoy reading!!

Best Regards,

Prof. Dr. Adile Askim Kurt, Anadolu University, Faculty of Education, Eskisehir, Turkey
