

**Message from Editor**

Dear Readers,

It is a great honor for us to publish seventh volume, second issue of ***Global Journal of Psychology Research: New Trends and Issues (GJPR)***.

***Global Journal of Psychology Research: New Trends and Issues*** welcomes original empirical investigations and comprehensive literature review articles focusing on psychological issues and related disciplines. The mission of the journal is to publish articles of professional interest for members of psychology. The scope of the journal includes, but is not limited to; the following major areas of psychology science including clinical psychology, developmental psychology, social psychology, experimental psychology, industrial and organizational psychology, traffic psychology, forensic psychology, psychometric psychology, sports psychology, health psychology, educational psychology, media psychology and neuroscience psychology.

Articles focusing on loneliness levels of college students, trauma in cultural contexts, relationships between violent video games and cognition, Turkish adaptation and validation of Spielberger's State Anger Subscale, writing skill difficulties for 'beginner' learners of the Arabic Language, valuing the educational changes in the Romanian educational system, relationship between gender and socio-economic level factors with psychological disorders in adolescents in Turkey and changing spatial belongings among migrants' generations are included in this issue. The topics of the next issue will be different. You can make sure that we will be trying to serve you with our journal with a rich knowledge in which different kinds of topics are discussed in 2017 Volume.

A total number of twenty (20) manuscripts were submitted for this issue and each paper has been subjected to double-blind peer review process by the reviewers specialized in the related field. At the end of the review process, a total number of eight (8) high quality research papers were selected and accepted for publication.

We present many thanks to all the contributors who helped us to publish this issue.

Best regards,

**Prof. Dr. Tulay Bozkurt**

**Editor – in Chief**
