

Message from Editor

Dear Readers,

It is the great honor for us to publish seventh volume, first issue of ***Global Journal of Sociology: Current Issues (GJSOC)***.

Global Journal of Sociology: Current Issues welcomes original empirical investigations and comprehensive literature review articles focusing on sociological issues. The scope of the journal, but is not limited to the following major topics as child, youth and old age, communication and art, culture and changes, deviance and social control, economy and development, education, ethnic relations, human rights and collective good, gender and human rights, identity, image and social cohesion, localization and globalization, organizations, professions and work, political sociology and law issues, social security and public health, sociology of marriage and family, sociology of population and migration, sociology of religion, collective behavior and social movements and theoretical, comparative and historical studies.

A constitutional analysis of the 2015 legislative elections in Portugal, insurgency, militancy and achieving sustainable development in Africa, methods of post disaster accommodation in terms of project management, the effect of community participation on conflict management, methods of using onomastics in teaching language and culture, stimulating youth entrepreneurship in the public sector's organizations, Nigeria and United States of America relations and modeling Azerbaijan's action process concerning Nagorno-Karabakh and the occupied territories topics are included into this issue. The topics of the next issue will be different. You can make sure that we will be trying to serve you with our journal with a rich knowledge in which different kinds of topics are discussed in 2017 Volume.

A total number of fifteen (15) manuscripts were submitted for this issue and each paper has been subjected to double-blind peer review process by the reviewers specialized in the related field. At the end of the review process, a total number of eight (8) high quality research papers were selected and accepted for publication.

We present many thanks to all the contributors who helped us to publish this issue.

Best regards,

Prof. Dr. Mustafa Gunduz

Editor – in Chief
