Dear Readers,

It is a great honor for us to publish Volume 2, Issue 1 of *International Journal of New Trends in Social Sciences (IJNTSS)*.

International Journal of New Trends in Social Sciences (IJNTSS) is a multi-disciplinary, peer-reviewed, open access journal which provides a scientific platform for presenting and discussing new trends and issues in social sciences. It is an international journal intended for professionals and researchers in all fields of social sciences. The journal publishes original researches, surveys and review articles of all the disciplines of social sciences and it comprises comprehensive leading and current trends in social sciences.

A total number of five (13) manuscripts were submitted for this issue and each paper has been subjected to double-blind peer review process by the reviewers specialized in the related field. At the end of the review process, one (3) high quality research paper was selected and accepted for publication. Accordingly, aim of this issue is to give the researchers an opportunity to share the results of their academic studies. . There are different research topics discussed in the articles.
