

Editorial

It is the great honor for us to edit proceedings of “11th World Conference on Educational Sciences (WCES-2019)” held on 07-10 February 2019, at the Milano Novotel Milano Nord Ca’ Granda Convention Center, Italy. This privileged scientific event has contributed to the field of educational sciences and research for eleven years.

As the guest editors of this issue, we are glad to see variety of articles focusing on the curriculum and instruction, educational technology, educational administration, guidance and counselling, educational planning, measurement and evaluation, learning psychology, developmental psychology, instructional design, learning and teaching, special education, distance education, lifelong learning, mathematics education, social sciences teaching, science education, language learning and teaching, human resources in education, teacher training, pre-school education, primary school education, secondary school education, vocational education, college and higher education, learner needs in the 21st century, the role of education in globalization, human rights education, democracy education, innovation and change in education, new learning environments, environmental education, professional development, nursery education, health education, sport and physical education, multi-cultural education, mobile learning, music education, art education, history education and etc.

Furthermore, the conference is getting more international each year, which is an indicator that it is getting worldwide known and recognized. Scholars from all over the world contributed to the conference. Special thanks are to all the reviewers, the members of the international editorial board, the publisher, and those involved in technical processes. We would like to thank all who contributed to in every process to make this issue actualized. A total of 145 full papers or abstracts were submitted for this conference and each paper has been peer reviewed by the reviewers specialized in the related field. At the end of the review process, a total of 50 high quality research papers were selected and accepted for publication.

I hope that you will enjoy reading the papers.
